TIPS FOR PRINTING & USE:

If possible, print on card stock and laminate or cover with clear contact paper for durability.

Ideas for use:

1. Print one copy of each page, creating a 3-piece playing board and 26 letter cards.
2. For one player, lay out all cards around the board or hand them a single card at a time, repeating the letter name, looking for the picture on the board and pointing out the letter on the board and on the card. Repeat the name again.
3. For more than one player, set out shuffled cards in a stack and have each player draw the top card on their turn, match the picture to the board, and repeat the letter name at least twice. Continue until the board is covered.
