TIPS FOR PRINTING & USE:

If possible, print on card stock and laminate or cover with clear contact paper for durability.

Ideas for use:

1. Print pages 2 & 3 and cut out around dogs.
2. Print page 4 and/or page 5 and cut out around bowls.
3. Give children the dogs and any ONE set of bowls: counting numbers (bowls with dots), addition, subtraction, or a MIX of addition and subtraction with only one bowl per dog (one with each answer, 1 to 10).
4. Have children work on their own, as in a learning center activity, or work with them as they match dogs to bowls.
