TIPS FOR PRINTING & USE:

If possible, print on card stock and laminate or cover with clear contact paper for durability.

Ideas for use:

1. Cut out loosely around puppies.
2. Spread out all or selected puppies on table.
3. Give children one or two categories at a time from page 4, finding and separating puppies into groups.
4. Encourage children to count how many puppies in each group, if desired.
5. This set can also be used for general visual discussion, comparing miscellaneous attributes of the puppies: "This one is larger than those," "This one looks sillier than the rest," "This one looks just like that one, only he's grey," etc.
